

Give yourself a pay rise
Salary package and save with AccessPay

Salary packaging: what's it all about?

Put simply, salary packaging allows you to increase your disposable income by reducing the tax you pay.

It works by allocating a portion of your pre-tax income to the payment of certain expenses, such as your mortgage or rent, groceries and insurance. Here's how salary packaging compares with the way you may be paying these expenses now.

Access your funds whenever and wherever you need them

AccessPay's 2-in-1 Salary Packaging and Employee Benefits Card* gives you instant access to your salary packaging funds. So with AccessPay, you're never out of pocket, you just pay as you go. You'll also have access to savings and special offers through our Everyday Savings program.

You can also claim your salary packaging funds by authorising AccessPay to make direct payments on your behalf for reoccurring expenses, or you can submit a claim for the reimbursement of payments you have already made.

*Some restrictions do apply on the use of the Salary Packaging and Employee Benefits Card. Visit www.accesspay.com.au/mycard

What can you salary package?

The more expenses you salary package, the more you'll increase your take-home pay. Here are two of the benefits that can help you save!

General Living Expenses

Use up to \$15,900 per year* (equal to \$611.54 per fortnight) of your pre-tax income for expenses you are already paying, including:

- rent or mortgage payments
- credit card and personal loan payments
- household utilities such as gas and electricity
- car expenses including petrol and registration.

Entertainment Benefits

Capped at \$2,650 per year*, Entertainment Benefits are in addition to General Living Expenses and include:

- meals and drinks consumed in a restaurant, café or hotel
- taxi fares
- holiday car hire and/or accommodation
- reception venue hire
- external catering costs paid by you for private events.

Things to consider

Some salary packaging benefits are considered to be Reportable Fringe Benefits and may impact existing government or personal financial arrangements such as HELP/HECS debt, child support and Medicare levy surcharge. Contact AccessPay for guidance on setting up a salary packaging arrangement that works best for you.

How much can you save?

The amount of savings will depend on your income and the types of expenses you salary package. The following example shows the potential savings when \$611.54 per fortnight is allocated to General Living Expenses.^

Gross annual salary	Saving per fortnight	Savings per annum
\$ 35,000	\$ 128.42	\$ 3,338.99
\$ 45,000	\$ 174.58	\$ 4,538.99
\$ 55,000	\$ 220.15	\$ 5,723.98
\$ 95,000	\$ 224.83	\$ 5,845.48

*This untaxed amount is a fringe benefit and therefore works on the FBT year of 1 April to 31 March.

^Calculations are based on maximum expense items without GST and 2017-2018 income tax rates and do not consider individual financial circumstances, such as HELP/HECS debt or other government benefits. Fees not included.
